One doctor said he could cure me; I took his medicine two months, but it did me no good. "A friend at mine savised me to try Peruna, and I did so. After I had taken two bottles i found it was helping me, as I took six bottles, and it cured me sound and well. It any one wants to know what Peruna has done for me, if they will write to me I will answer promptly."

Emma Mankin, Mont Eagle, Tenn., in a recent letter, says: "I have suffered with catarrh of the stomsoh and howels for three years. I tried three doctors and several different medicines recommended for troubles similar to mine. Your medi-cine was recommended to me, and after the use of thirteen bottles I was entirely cured."
